Why?	I choose DesignAddict for my listings because I reach a greater, more-specific target. It's fast, easy and without surprises: the prices are fixed, with no commission.	For less than a euro a day, I can put all my listings online on DesignAddict and benefit from maximum visibility thanks to the free Announcement included in my subscription.	We appreciate the site's popularity with design enthusiasts. We adjust the amount of our listings, announcements and banners based on our events calendar. It's flexible and customised.
